THE UNITED REPUBLIC OF TANZANIA NATIONAL EXAMINATIONS COUNCIL OF TANZANIA CERTIFICATE OF SECONDARY EDUCATION EXAMINATION

036/1

INFORMATION AND COMPUTER STUDIES 1

(For Both School and Private Candidates)

Time: 3 Hours

Friday, 16th November 2018 p.m.

Instructions

- 1. This paper consists of sections A, B and C with a total of twelve (12) questions.
- 2. Answer all questions in sections A and B and two (2) questions from section C.
- 3. Cellular phones and any unauthorised materials are not allowed in the examination room.
- 4. Write your Examination Number on every page of your answer booklet(s).

SECTION A (30 Marks)

Answer all questions in this section.

1. For alte	each of the following items (i) rnatives and write its letter beside) - (x the it), choose em numbe	the most correct er in the answer boo	answer among oklet provided.	the given
	The end product of the computer A news B input	proces C D	ssing is kr informat data	own as E	program	
	The increase of voltage above 110 A over voltage B high voltage	C	the norm sag alternation	E	surge	
(iii)	A computer hardware which uses known as A floppy disc drive B hard disc drive C compact disc drive	laser	D 1	nology to write and lash disc drive Digital \versatile dis		a disc is
(iv)	The part of the computer which s A Central processing Unit B Logic and Control Unit C Arithmetic and Logic Unit	pecifi	D.	the logical operation Arithmetic control to Arithmetic and proceed	ınit	, 1°
(v)	A software which is installed wh called A Utility program B Operating system C Firmware	en a n	ew hardw D E	Driver Application softwa		stem is
(vi)	The correct use of the web layou A to view website B to save Webpages C to browse the internet	t in M	licrosoft w D E	ord is to print a web doct to see a document		
(vii)	IL HINIX	C #1	el is displ NUL! VALUE!	ayed due to invalid E	intersection of c #REF	cells?
(viii)	11 .accac	C .d	It when sa loc xt		ecument in MS v	word 2007

(ix)	A	type of	topology which is more difficult to configure is called	
	A	Bus	C. Tree	Mesh
	B	Star	D Ring	. 4

- (x) Which one among the following set of factors distinguish primary and secondary storages of the computer?
 - A Speed, size and technology
 - B Size, technology and persistence
 - C Persistence, technology and speed
 - D Speed, size and persistence
 - E Speed, size and user friendliness
- 2. Match the functions of network devices in **List A** to the corresponding network device in **List B** by writing the letter of the correct response beside the item number in the answer booklet provided.

	List A	<u> </u>	Ligt D
(i)	A device that is used in twisted pair cable as terminator.	A -	List B
		A B	RJ45
(ii)	A device that connects computers in the network and relay signals from one computer to another.		Antennae
			Bridge
(iii)	A device that connects two nodes point to point as if they were linked by a direct cable between them.		RJ terminator
			RJ40
(iv)	A device that converts signals from analog to digital and vice versa.		Gateway
()		G	Hub
(v)	A device that creates a physical link between the computers and the transmission media.		Modem
(vi)	A device that handles distortion from signals before sending	I	NIC
	them to another segment.		Repeater
(vii)	A device used to connect different networks.		Router
(viii)	device that can be configured to provide access to wide	L	Switch
()	area network.		Terminator
(ix)	A device that selectively determine the appropriate segment for which a message is meant for delivery through address filtering.		
	An instrument with wireless hardware for detecting signals in the surrounding.		

3.	In the following items, write True for a correct statement or False for incorrect statement.							
	(i)	Both ROM and RAM are Volatile.						
	(ii)	The CPU carries out all instruction executions.						
	(iii)	Hypermedia is not a subset of multimedia.						
	(iv)	Notepad provides the basic standard for creating Webpages.						
	(v)	Presentation software is very difficult to learn how to use.						
	(vi)	It is possible to insert an image in a HTML document using tags.						
	(vii)	Video is a powerful tool in presentations.						
	(viii)A byte is a pattern of bits sufficiency to store a character.						
	(ix)	Pasteboard is a small blank space surrounding the printable area where objects are designed or edited.						
	(x)	A JPEG is a standard for the storage and transfer of images that uses image compression techniques to minimize storage size.						

SECTION B (50 Marks)

Answer all questions in this section.

4. A businessman investigated the possible income from his collections. He typed information into the following spreadsheet:

1	Α	В	C	D	E	F F
1	4	INCO	VIE	8	EXPENSE	
			Per			
2	> ,	Quantity	Unit	Product	Containers	Charles of Sylphocal Market States as November 1981 and 1
3	Bottles	589	0.45	265.05	4.5	The second secon
4	Paper kg	250	1	250	3.25	- mark (1821/1900) - 1821 - 1821 - 1821 - 1821 - 1821 - 1821 - 1821 - 1821 - 1821 - 1821 - 1821 - 1821 - 1821
5	Cans	12367	0.05	#VALUE!	10.00	CONTRACTOR AND AND AND AND ADDRESS OF THE PARTY OF THE PA
6	Others	1221212	30	*************	5.00	
7	Total				18.25	
8	ANY DESCRIPTION OF THE PROPERTY OF THE PROPERT					
9						

	(e)	(i) (ii) (iii) (iv)	Write the feature(s) used in row 1 to make the text appear as a single cell A – D. Give the feature(s) used in cell C2. Give the description of the error message appeared in cell D5 and wrifunction which required to give the valid result. Why is the answer in cell D6 not displayed correctly?	(1 mark) (1 mark)
	(b)	Descr	ibe any two special features of the spreadsheet program.	(2 marks)
5.	(a) (b) (c)	Descr	the long form of the term "internet" and give its purpose. ibe four advantages of using internet. fy three basic elements considered when composing an e-mail.	(2 marks) (4 marks) (3 marks)
6.	(b)	Menti (i) Re	on procedures that could be performed for the following operations: estore deleted files to their original locations.	(5 marks)
			ove multiple files or folders from one drive to another.	(3 marks)
7.	(a) (b) (c)	Ment	HTML page can run on any Operating System? ion two significances of HTML form. the HTML codes which will display the following output on a web brows	(2 marks) (2 marks) ser.
		Тур	e your First Name : Mickey e your Last Name : Mouse ocess	
				(5 marks)
8.	(a) (b) (c)	Menti	the function of standard toolbar. on six parts of the Microsoft word application window. in two methods of proofreading a document prepared in Microsoft word.	(1 mark) (3 marks) (4 marks)
9.	(a)	Expla	in two advantages of using Desktop Publishing (DTP) over word processo	P
	(b) (c)	hardw	are asked to prepare a school identification card by using a computer; giver and two software needed to complete your work. steps required to create basic shape in PageMaker.	(4 marks) ve other two (2 marks) (2 marks)

SECTION C (20 Marks)

Answer two (2) questions from this section.

10. Describe five types of database model according to their data organisations.

(10 marks)

- 11. (a) Describe four roles of Information and Communication Technology in the society.
 - (b) Explain two effects for disposing electronic equipment to the environments.

(10 marks)

12. Explain five advantages of Internet in the society.

(10 marks)
